SKILLS EVALUATIONS

All un-rated and new players in divisions U8 and above are required to participate in a skills evaluation to help us balance the teams. On registration days, players should be prepared to participate in a quick, fun series of soccer drills to evaluate their skills, athletic ability and knowledge of the game. This is NOT a try-out as every child who registers on time will be placed on a team. This evaluation will be only be used to balance the teams for fun, fair competition.

Players who can't make the registration evaluations, will need to attend a skills evaluation. Players can NOT be placed on a team if they have not been evaluated.

Skills evaluation dates:

Monday, June 14 from 5:00 pm - 6:30 pm

Saturday, July 10 from 9:00 am - 11:00 am

Saturday, August 7 from 9:00 am - 11:00 am

Monday, August 23 from 5:00 pm - 6:30 pm

Skills evaluation location:

Oak Mesa School located on Wheeler, north of Baseline, in LaVerne.

Your child will be placed in a division based on their age.

PLEASE NOTIFY US OF CHANGES IN YOUR CONTACT INFORMATION

VOLUNTEER PARTICIPATION

AYSO is an all-volunteer organization. Please fill out the volunteer form and be generous with your time. All the children in our community will benefit from your involvement.

TEAM ASSIGNMENTS

Team assignments will be finalized in July. Once AYSO has assigned a team to a coach, that coaches will contact each player. Please record the name and phone number of your coach and division director. **DUE TO LIMITED VOLUNTEER TIME, WE WILL NOT BE ABLE TO RESPOND TO PLAYERS WHO HAVE NOT HEARD FROM THEIR COACHES BEFORE AUGUST 15.**

Team assignments are final. Coaches cannot change player's team assignments and they cannot add players to their teams. If a player drops from your team, the registrar will place players from the waiting list. (Violation of this rule will result in immediate removal from any involvement in our soccer program.) Region 112 reserves the right to adjust teams to maintain team balance. Team assignments are based upon achieving balanced teams. It is not possible to place players according to school locations, extracurricular schedules, or car pool needs.

PLAYERS ON THE WAITING LIST

We will decide on the number of teams based on the number of players registered in each division as of our final registration date. Following our final registration, we will immediately begin accepting player applications for the waiting list. In some age divisions, we will be able to place players quickly to fill up the teams that are forming. In other age divisions, we may have to wait for an opening caused by a player withdrawal. Prior to team formation, players from the waiting list will be placed on a team in the order that they applied to the waiting list. After team formation, the player from the list that best keeps the teams balanced will be added. As soon as openings are available, we will contact players who have submitted an application and place them onto a team. If we are unable to place the child by Oct. 1st, the parents will be notified and the original check will be returned or destroyed.

REFUNDS

In order to protect your rights, all refund requests must be submitted in writing. Phone calls and e-mail are insufficient to process requests. If a refund request is denied due to the date of the request, you may deduct the amount from your tax return as a donation to AYSO, a non-profit organization.

If Region 112 is unable to place your registered child on a team, you will automatically receive a full refund.
